2010 PLAYER AUCTION RULES

The Players listed in our catalogue include all players on the Senior Training List. There are 11 lots to be sold and the purchasers of the players in each lot will benefit from the player performances throughout the year.

Fifty percent (50%) of the total prize pool will be directed to the Glenelg Football Club and fifty percent (50%) will be paid out in prize money. Each week a panel of 4 judges will select the three best players on the ground in senior games only. The purchaser of these players will receive cash payments. In addition to this, prize money will be awarded to the purchasers of the players who win the following awards:

- League Best & Fairest
- League Best Team Man
- League Leading Goal Kicker
- Reserves Best & Fairest
- Reserves Best Team Man
- League ER Curnow Award

Following is an example of how the system works:-

Example:

If the total amount paid for all lots is \$30,000

- (a) \$15,000 will be directed to GFC
- (b) \$15,000 is the total prize pool

\$12,000 will be split over 20 minor rounds and would be directed as follows:-

2010 PLAYER AUCTION JUDGES

The judges for the Best Players in 2010 will be:

Mark Mickan	Senior Coach
Ken Applegarth	Football Manager
Jon Symonds	Assistant Coach
Jason Blair	Assistant Coach

Each member will cast votes independently. The 1st, 2nd and 3rd ratings will be decided on the aggregate result. In the event of a tie, the Senior Coach shall have the casting vote.

Condition of Sale

1. Each lot will be sold to the highest bidder at the fall of the auctioneer's hammer
2. The auctioneer will be the sole judge to any disputes regarding price payable.
3. Successful bidders are required to pay by invoice only
4. Each player will be sold without warranty.
5. Organisers will not be held responsible for any defects that come to light after the purchase has been finalised.

EXAMPLE

With only 11 lots available you can be sure there is a good chance to get a return on your money. If we take lot 6 as an example:

You formed a syndicate with 3 other people and payed \$2,500 for this lot (\$833pp). Using the above example with a \$15,000 prize pool if the following events occurred the payouts would be as follows:

* Ben Kane is Best on Ground on 2 occasions	\$700
* Ben Kane is 3 rd Best on Ground on 2 occasions	\$200
* Ben Kane wins Best Team Man Award	\$500
* Alex Grima is 2 nd Best on Ground on 1 occasion	\$150
* Alex Grima is 3 rd Best on Ground on 3 occasions	\$300
* Alex Grima is Best on Ground on 2 occasions	\$700
* Jack Fosdike is 2 nd Best on Ground on 2 occasions	\$300
* Jack Fosdike is 3 rd Best on Ground on 2 occasions	\$200
TOTAL	\$3,050

The syndicate would make a profit of \$550
