Horan Returns

Glenelg Football Club is pleased to announce that former player Jack Horan has been appointed as Reserves Coach for the 2010 season.

Former West Adelaide and Glenelg player Jack Horan played 33 League and 92 Reserve games spanning over a six year playing career.

Horan has now turned to coaching after ongoing groin injuries cut short his playing days.

Jack Horan has a strong history as a player with outstanding leadership skills.

His ability to read the game, his communication skills and work ethic make him an excellent fit as Glenelg Football Club's Reserves coach for 2010.

Jack's outstanding character was recognised during his time as a player as a two time winner of the E.R Curnow Award.

Prior to the commencement of training Wednesday night, Jack received a resounding applause from the playing group when the announcement of his appointment was made.

The Glenelg Football Club welcomes Jack back to the club and is thrilled with the new appointment.
