

Glenelg Football Club appoint Kris Massie as Under 18 Coach. MEDIA RELEASE

16 December 2009

The Glenelg Football Club is proud to announce that it has appointed ex Carlton and Adelaide Crows player Kris Massie as its Under 18 Coach for season 2010. Kris played 131 AFL games, 43 with Carlton and 88 with Adelaide.

Kris brings an enormous amount of knowledge to our football club having recently retired from AFL football and last year playing league football for Norwood. Kris is passionate about educating and developing players to give them every chance to playing at the elite level.

Ian Cox, who coached the Glenelg U18s to its first premiership win in 2009, has reluctantly resigned as coach due to work commitments. Ian will continue in a support role to Jack Horan as the Assistant Reserves Coach.

Senior Coach, Mark Mickan commented that "The Glenelg Football Club has been blessed to have been afforded the teaching, leadership and know how that Ian Cox has brought to our junior group. We are fortunate that Ian will maintain a support role in the senior program.

The Club feels equally blessed to have Kris Massie as our new under 18's coach. Kris's leadership and communication skills make him ideally suited to the role. The players will benefit from his strong understanding of the game and his very sound management and teaching attributes".
